Item 7.01 Regulation FD Disclosure

As previously reported under Item 3.01 (Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing), on January 30, 2023 Alzamend Neuro, Inc. (the “**Company**”) received a deficiency letter from the Listing Qualifications Department of the Nasdaq Stock Market, LLC (“**Nasdaq**”) notifying the Company that, for 30 consecutive business days, the bid price for the Company’s common stock had closed below \$1.00 per share (the “**Minimum Bid Requirement**”) and that the Company had 180 calendar days to regain compliance with the Minimum Bid Requirement.

On August 1, 2023, Nasdaq notified the Company that because it had not satisfied the Minimum Bid Requirement within the initial 180-day compliance period and was not eligible for a second 180 day compliance period because the Company did not comply with Nasdaq’s \$5 million minimum stockholders’ equity initial listing requirement, the Company’s common stock would be delisted from the Nasdaq Capital Market at the opening of business on August 10, 2023 unless the Company requested a hearing before the Nasdaq Hearings Panel. On August 2, 2023, the Company requested a hearing to appeal the delisting determination. Pursuant to an expedited review process, whereby the Company submitted responses to a written questionnaire regarding its compliance plan, the Nasdaq Hearings Panel, based on the information provided, provided notice on September 21, 2023 granting the Company’s request to extend the period for the Company to regain compliance with the Minimum Bid Requirement until November 15, 2023.

On November 15, 2023, the Company received notice from Nasdaq that the Company has regained compliance with the Minimum Bid Price Requirement and stated that the matter is now closed.

On November 16, 2023, the Company issued a press release to announce that the Company has regained compliance with the Minimum Bid Price Requirement. A copy of the press release is furnished herewith as Exhibit 99.1 and is incorporated by reference herein.

In accordance with General Instruction B.2 of Form 8-K, the information under this item shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing. Alzamend Neuro Regains Compliance with Nasdaq's Minimum Bid Price Requirement

ATLANTA, GA, November 16, 2023 -- Alzamend Neuro, Inc. (Nasdaq: ALZN) ("**Alzamend**"), an early clinical-stage biopharmaceutical company focused on developing novel products for the treatment of Alzheimer's disease ("**Alzheimer's**"), bipolar disorder ("**BD**"), major depressive disorder ("**MDD**") and post-traumatic stress disorder ("**PTSD**"), today announced that it has received a notification letter (the "**Compliance Notice**") from the Listing Qualifications Staff of the Nasdaq Stock Market, LLC ("**Nasdaq**") dated November 15, 2023, informing Alzamend that it has regained compliance with Nasdaq Listing Rule 5550(a)(2) (the "**Minimum Bid Price Requirement**"). In order to regain compliance with the Minimum Bid Price Requirement, Alzamend's common stock was required to maintain a closing bid price of at least \$1.00 per share for a minimum of ten consecutive trading days. The Minimum Bid Price Requirement was met on November 13, 2023. Accordingly, in the Compliance Notice, Nasdaq stated that the matter is now closed.

The Compliance Notice is unrelated to the previously disclosed notice received by Alzamend from Nasdaq on September 26, 2023 regarding the minimum Market Value of Listed Securities ("**MVLS**") for Alzamend's common stock being below the \$35 million minimum MVLS requirement for continued listing on The Nasdaq Capital Market under Nasdaq Listing Rule 5550(b)(2) (the "**MVLS Rule**"). As previously disclosed, Alzamend has 180 calendar days, or until March 25, 2024, to regain compliance with the MVLS Rule.
