Dear Stockholder:

You are cordially invited to attend the 2027 Annual Meeting of Stockholders (“**Annual Meeting**”) of Alzamend Neuro, Inc. (“**Alzamend Neuro**” or the “**Company**”). The Annual Meeting will be held on October 19, 2026 at 12:00 p.m. ET. The Annual Meeting will be held in a virtual meeting format only. You can attend the Annual Meeting online and vote your shares electronically during the Annual Meeting by visiting meetnow.global/XXXXXX. You will not be able to attend the Annual Meeting in person.

Details regarding admission to the Annual Meeting and the business to be conducted are more fully described in the accompanying Notice of 2027 Annual Meeting of Stockholders and Proxy Statement.

The agenda for this Annual Meeting includes (i) the election of six (6) directors, (ii) the ratification of the appointment of Haskell & White LLP as Alzamend Neuro’s independent registered public accounting firm for the fiscal year ending April 30, 2027, (iii) the approval, for purposes of complying with Listing Rule 5635(c) of The Nasdaq Stock Market, LLC, the conversion of the Company’s shares of Series D convertible preferred stock into shares of Common Stock for a total purchase price of up to \$25,000,000.00, issued or issuable pursuant to the securities purchase agreement dated July 31, 2026 and the Certificate of Designations of the Rights and Preferences of Series D Convertible Preferred Stock (the “**Preferred Stock Financing**”), and (iv) the approval of one or more adjournments of the Annual Meeting to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Annual Meeting, there are insufficient votes to approve one or more of the other proposals before the Annual Meeting.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please carefully review the Proxy Statement and then cast your vote, regardless of the number of shares you hold. If you are a stockholder of record, you may vote over the Internet, by telephone, or by completing, signing, dating and mailing the accompanying proxy card in the return envelope. Submitting your vote via the Internet in advance of the Annual Meeting or by telephone or proxy card will not affect your right to vote during the Annual Meeting if you decide to attend the Annual Meeting. If your shares are held in street name (held for your account by a broker or other nominee), you will receive instructions from your broker or other nominee explaining how to vote your shares, and you will have the option to cast your vote by telephone or over the Internet in advance of the Annual Meeting if your voting instruction form from your broker or nominee includes instructions and a toll-free telephone number or Internet website to do so. In any event, to be sure that your vote will be received in time, please cast your vote by your choice of available means at your earliest convenience.

We hope that you will join us on October 19, 2026. Your continuing interest in Alzamend Neuro is very much appreciated.

Sincerely,

/s/ Stephan Jackman

Chief Executive Officer

You are cordially invited to attend the Annual Meeting. Voting instructions are printed on your proxy card and included in the accompanying Proxy Statement. If you participate virtually in the Annual Meeting, you may vote at that time, even if you previously submitted your vote. Please note, however, that if your shares are held of record by a brokerage firm, bank or other agent and you wish to vote at the Annual Meeting, you must obtain a proxy issued in your name from that agent in order to vote your shares that are held in such agent's name and account.

When is the record date for the Annual Meeting?

The Board of Directors (the “**Board**”) has fixed the Record Date for the Annual Meeting as of the close of business on _____, 2026.

Who is Entitled to Vote; Vote Required; Quorum

As of the record date of _____, 2026 (the “**Record Date**”), there were (i) _____ shares of Common Stock and (ii) _____ shares of the Company’s Series D Convertible Preferred Stock (the “**Series D Preferred Stock**”), issued and outstanding.

The Common Stock and the Series D Preferred Stock are collectively referred to in this Proxy Statement as the “**Voting Capital Stock**,” which together constitute all of the outstanding voting capital stock of the Company. As of the Record Date, the shares of Preferred Stock were convertible into _____ shares of Common Stock, excluding any additional shares that are currently issuable as a result of beneficial ownership blockers on conversion of such shares of Preferred Stock.

Stockholders are entitled to one vote for each share of Common Stock.

Ault Lending, LLC (the “**Investor**”), the owner of all shares of Series D Preferred Stock is entitled to vote with the Common Stock as a single class on an as-converted basis, subject to applicable law provisions of the Delaware General Corporation Law (“**DGCL**”) and the Nasdaq Stock Market, LLC (at times referred to as the “**Exchange**”).

Each share of Series D Preferred Stock is convertible at the option of the holder into a number of shares (“**Conversion Shares**”) of the Company’s Common Stock, determined by dividing the stated value of the Series D Preferred Stock, or \$1,050.00, by the Conversion Price (as defined below). The “**Conversion Price**” means the greater of (i) \$0.2668 (the “**Floor Price**”) and (ii) 80% of the lowest closing bid price of the Common Stock during the five (5) trading days immediately prior to the date of conversion into Conversion Shares, but not greater than \$2.00 per share (the “**Maximum Price**”). The Conversion Price is subject to adjustment in the event of issuances of Common Stock at a price per share lower than the Conversion Price then in effect, as well as upon customary stock splits, stock dividends, combinations or similar events.

Notwithstanding the foregoing, for purposes of complying with Exchange regulations, the conversion price, for purposes of determining the number of votes the holder of Series D Preferred Stock is entitled to cast, shall not be lower than \$1.4175, which represents the price calculated by multiplying (i) the closing sale price of the Common Stock on the trading day immediately prior to the execution date of the Securities Purchase Agreement, or July 31, 2026, which was \$1.35 by (ii) 1.05. In addition, since the Company has yet to obtain the approval of the Exchange and its stockholders for the conversion and voting rights of the Series D Preferred Stock, the Investor may not vote more than 19.99% shares of Common Stock of the total number of shares of Common Stock outstanding as of the date of the securities purchase agreement providing for the Investor’s ability to acquire Series D Preferred Stock, regardless of how many such shares the Investor actually owns. The Investor may not vote its Common Stock or its shares of Series D Preferred Stock (the “**Affiliated Voting Capital Stock**”) in connection with Proposal No. 3, as it is an affiliate of the Company.

Thirty-five percent (35%) of the _____ aggregate number of votes entitled to be cast at the Annual Meeting (the “**Eligible Voting Capital Stock**”), or _____ such votes, will constitute a quorum at the Annual Meeting.

Brokers holding shares of record for customers generally are not entitled to vote on “non-routine” matters, unless they receive voting instructions from their customers. As used herein, “uninstructed shares” means shares held by a broker who has not received such instructions from its customers on a proposal. A “broker non-vote” occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter. In connection with the treatment of abstentions and broker non-votes, Proposals 1 and 3 are considered “non-routine” matters, and brokers are not entitled to vote uninstructed shares with respect to these proposals.

Determination of whether a matter specified in the Notice of Special Meeting of Stockholders has been approved will be determined by whether the affirmative vote of a majority of the shares of Eligible Voting Capital Stock present at the Annual Meeting in person or by proxy and entitled to vote on such matter is required for approval, except for the election of directors, by which directors will be elected by a plurality of the Voting Capital Stock. Abstentions will be considered shares present by proxy and entitled to vote and, therefore, will have the effect of a vote against the proposal. Broker non-votes will be considered shares not present for this purpose and will have no effect on the outcome of the vote.

However, abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present for the Annual Meeting.

What is the difference between how a Stockholder of Record and a Beneficial Owner may vote its shares?

Stockholder of Record: Shares Registered in Your Name

If, on the Record Date, your shares were registered directly in your name with Computershare, then you are a stockholder of record. As a stockholder of record, you may vote at the Annual Meeting, vote by proxy over the telephone or through the Internet, or vote by proxy using the proxy card that was sent to you in the Proxy Materials. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure that your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Similar Organization

If, on the Record Date, your shares were held, not in your name but rather in an account at a brokerage firm, bank, dealer or other similar organization (the “**record holder**”), then you are the beneficial owner of shares held in “street name” and the Proxy Materials are being made available to you by the record holder or “nominee,” along with voting instructions. As the beneficial owner, you have the right to direct the record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. If you do not give instructions to your record holder, it will not be entitled to vote your shares on any proposal, except the proposal for the ratification of auditors, which is a routine item.

As the beneficial owner of shares, you are invited to attend the Annual Meeting. If you are a beneficial owner, however, you may not vote your shares at the Annual Meeting unless you obtain a legal proxy, executed in your favor, from the record holder of your shares.

How do I vote?

Either (1) mail your completed and signed proxy card(s) to Alzamend Neuro, Inc., 3480 Peachtree Road NE, Second Floor, Suite 103, Atlanta, GA 30326, Attention: Corporate Secretary, (2) call the toll-free number printed on your proxy card(s) and follow the recorded instructions or (3) visit the website indicated on your proxy card(s) and follow the on-line instructions. If you are a registered stockholder and attend the Annual Meeting, then you may deliver your completed proxy card(s) or vote pursuant to the instructions on the proxy card. If your shares are held by your broker or bank, in “street name,” then you will receive a form from your broker or bank seeking instructions as to how your shares should be voted. If you do not give instructions to your record holder, it will nevertheless be entitled to vote your shares in its discretion on the ratification of the appointment of the independent registered public accounting firm (Proposal No. 2), but not on any other proposal.

Internet proxy voting may be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

What are the Board's recommendations on how to vote my shares?

The Board recommends a vote:

Proposal 1: **FOR** the election of the six (6) director nominees (the “**Director Proposal**”);

Proposal 2: **FOR** ratification of the selection of Haskell & White LLP as the Company's independent registered public accounting firm (the “**Auditor Proposal**”);

Proposal 3: **FOR** approving pursuant to Rule 5635 of the Nasdaq Stock Market, the conversion of the Company's shares of Series D convertible preferred stock (the “**Series D Preferred Stock**”) into shares of common stock, par value \$0.0001 per share (the “Common Stock”), for a total purchase price of up to \$25,000,000.00, issued pursuant to the Securities Purchase Agreement dated July 31, 2026 and the Certificate of Designations of the Rights and Preferences of Series D Convertible Preferred Stock (the “**Series D Proposal**”); and

Proposal 4: **FOR** approving one or more adjournments of the Annual Meeting to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Annual Meeting, there are not sufficient votes to approve one or more of the other proposals before the Annual Meeting (the “**Adjournment Proposal**”).

Who pays the cost for soliciting proxies?

We will pay the entire cost of soliciting proxies. In addition to these Proxy Materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We will also reimburse brokers, banks, custodians, other nominees and fiduciaries for forwarding these materials to their principals to obtain the authorization for the execution of proxies.

If I am a stockholder of record and I do not vote, or if I return a proxy card or otherwise vote but do not make specific choices?

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the Internet or online at the Annual Meeting, your shares will not be voted.

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “FOR” the Director Proposal, “FOR” the Auditor Proposal, “FOR” the Series D Proposal and “FOR” the Adjournment Proposal. If any other matter is properly presented at the Annual Meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?

If you are a beneficial owner of shares held in street name and you do not instruct your broker, bank or other agent how to vote your shares, your broker, bank or other agent may still be able to vote your shares in its discretion. Under the rules of the New York Stock Exchange (“**NYSE**”), brokers, banks and other securities intermediaries that are subject to NYSE rules may use their discretion to vote your “uninstructed” shares with respect to matters considered to be “routine” under NYSE rules, but not with respect to “non-routine” matters. Proposals 1 and 3 are considered to be “non-routine” matters under NYSE rules, meaning that your broker may not vote your shares on those proposals in the absence of your voting instructions. However, Proposals 2 and 4 are considered to be a “routine” matters under NYSE rules, meaning that if you do not return voting instructions to your broker by its deadline, your shares may be voted by your broker in its discretion on Proposals 2 and 4.

If you are a beneficial owner of shares held in street name, and you do not plan to attend the Annual Meeting, in order to ensure that your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials that you receive from your broker, bank or other agent.

Can I change my vote?

Stockholder of Record: Shares Registered in Your Name

Yes. If you are the stockholder of record for your shares, you may revoke your proxy at any time before the final vote at the Annual Meeting in one of the following ways:

- by notifying our Secretary in writing at 3480 Peachtree Road NE, Second Floor, Suite 103, Atlanta, GA 30326 that you are revoking your proxy;
- by submitting another properly completed proxy with a later date;
- by transmitting a subsequent vote over the Internet or by telephone by 11:00 a.m., Eastern Time on October 19, 2026; or
- by attending and voting online during the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Similar Organization

If your shares are held in street name, you must contact your broker or nominee for instructions as to how to change your vote. Your attendance at the Annual Meeting does not revoke your proxy. Your last vote, whether prior to or at the Annual Meeting, is the vote that we will count.

How is a quorum reached?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least thirty-five percent (35%) of the shares of Common Stock are present at the Annual Meeting or represented by proxy. Shares held of record by stockholders or brokers, bankers or other nominees who do not return a valid proxy or attend the Annual Meeting will not be considered present or represented at the Annual Meeting and will not be counted in determining the presence of a quorum. The inspectors of election appointed for the Annual Meeting will determine whether a quorum is present.

Abstentions and broker non-votes, if any, will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting. If there is no quorum, the chairperson of the Annual Meeting or the holders of a majority of the Eligible Voting Capital Stock present at the Annual Meeting or represented by proxy may adjourn the Annual Meeting to another date.

What are “broker non-votes”?

As discussed above, when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed to be “non-routine,” the broker or nominee cannot vote the shares. These unvoted shares are counted as “broker non-votes.”

What vote is required to approve each item and how are votes counted?

The following table summarizes the minimum vote needed to approve each proposal and the effect of abstentions and broker non-votes.

Proposal Number	Proposal Description	Vote Required for Approval	Effect of Abstentions	Effect of Broker Non-Votes	Matter
1	Election of Directors	Directors will be elected by a plurality of the votes cast by the holders of shares present or represented by proxy and entitled to vote on the election of directors. The six (6) nominees receiving the most “FOR” votes will be elected as directors.	No effect	No effect	Non-routine
2	Ratification of the selection of Haskell & White LLP as the Company’s independent registered public accounting firm	“FOR” votes from the holders of a majority of the shares of Eligible Voting Capital Stock.	Against	Not applicable ⁽¹⁾	Routine

3	Approval of the conversion of the Company's shares of Series D convertible preferred stock (the "Series D Preferred Stock") into shares of Common Stock, for a total purchase price of up to \$25,000,000.00.	"FOR" votes from the holders of a majority of the shares of Eligible Voting Capital Stock, exclusive of the Affiliated Voting Capital Stock. ⁽²⁾	Against	No effect	Non-routine
4	Approval of the adjournment of the Annual Meeting, if necessary, to permit further solicitation and vote of proxies	"FOR" votes from the holders of a majority of the shares of Eligible Voting Capital Stock.	Against	Not applicable ⁽¹⁾	Routine

(1) This proposal is considered to be a "routine" matter. Accordingly, if you hold your shares in street name and do not provide voting instructions to your broker, bank or other agent that holds your shares, your broker, bank or other agent has discretionary authority to vote your shares on this proposal.

(2) The Investor may not vote any of its Affiliated Voting Capital Stock on this proposal, as it is an affiliate of the Company.

Could other matters be decided at the Annual Meeting?

We do not know of any other matters that may be presented for action at the Annual Meeting. Should any other business come before the Annual Meeting, the persons named on the proxy will have discretionary authority to vote the shares represented by such proxies in accordance with their best judgment. If you hold shares through a broker, bank or other nominee as described above, they will not be able to vote your shares on any other business that comes before the Annual Meeting unless they receive instructions from you with respect to such matter.

What happens if the Annual Meeting is postponed or adjourned?

Your proxy may be voted at the postponed or adjourned Annual Meeting. You will still be able to change your proxy until it is voted.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K, or Form 8-K, that we expect to file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

What does it mean if I receive more than one set of Proxy Materials?

It means that your shares may be registered in one or more names or multiple accounts at the transfer agent or with brokers. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

I share the same address with another stockholder of the Company. Why has our household only received one set of proxy materials?

The rules of the Securities and Exchange Commission's (the "SEC") permit us to deliver a single set of proxy materials to one address shared by two or more of our stockholders. This practice, known as "householding," is intended to reduce the Company's printing and postage costs. PROPOSAL 1:
ELECTION OF DIRECTORS

General

At the Annual Meeting, the stockholders will elect six (6) directors to serve until the 2028 annual meeting or until their respective successors are elected and qualified. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy, including vacancies created by an increase in the number of directors, shall serve for the remainder of the term and until the director's successor is duly elected and qualified. There are currently no vacancies on the Board.

Upon the recommendation of the Nominating and Corporate Governance Committee, our Board has nominated the six (6) individuals listed in the table below for election as directors at the Annual Meeting. Each of the nominees listed below is currently a director of the Company. If you elect the nominees listed below, they will each hold office until the 2028 annual meeting and until each of their successors has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. All nominees are currently serving on our Board and have consented to being named in this Proxy Statement and to serve if elected.

If any nominee is unable or does not qualify to serve, you or your proxy may vote for another nominee proposed by the Board. If, for any reason, these nominees prove unable or unwilling to stand for election or cease to qualify to serve as directors, the Board will nominate alternates or reduce the size of the Board to eliminate the vacancies. The Board has no reason to believe that any of the nominees would prove unable to serve if elected.

Mr. Horne served as Chief Financial Officer of Avalanche from June 2016 until its bankruptcy was effectuated in March 2025.

** Hyperscale Data issued a press release on August 15, 2023 which summarized the terms of Hyperscale Data's and Messrs. Ault and Horne's settlement with the SEC. The press release announced, in pertinent part, that "Under terms of the settlement, [Hyperscale Data], Mr. Ault, and Mr. Horne neither admit nor deny the SEC's findings, which do not entail intentional misconduct. [Hyperscale Data] will pay a civil penalty of \$700,000 that was fully accrued in the fourth quarter of 2022; Mr. Ault will pay disgorgement of \$85,504 and a civil penalty of \$150,000; and Mr. Horne will pay a civil penalty of \$20,720. In addition, [Hyperscale Data] has undertaken to retain an independent consultant to conduct a comprehensive review of [Hyperscale Data]'s internal control over financial reporting and disclosure controls and procedures, and to issue a report providing recommendations for improvements." All the foregoing payments were made in August 2023.

The action brought by the SEC alleged that (i) Hyperscale Data had violated Sections 17(a)(2) and 17(a)(3) of the Securities Act of 1933, as amended (the "Securities Act") and Sections 13(a), 13(b)(2)(A), 13(b)(2)(B) and 14(a) of the Exchange Act and Exchange Act Rules 12b-20, 13a-1, 13a-11, 13a-13, 13a-15(a), 14a-3, and 14a-9 thereunder, (ii) Mr. Ault had violated, and caused Hyperscale Data to violate, Sections 17(a)(2) and 17(a)(3) of the Securities Act and Exchange Act Section 14(a) and Exchange Act Rules 14a-3 and 14a-9, caused Hyperscale Data's violations of Exchange Act Sections 13(a), 13(b)(2)(A) and 13(b)(2)(B) and Exchange Act Rules 13a-1, 13a-11, 13a-13, and 12b-20, and violated Exchange Act Rule 13b2-1, and (iii) Mr. Horne violated Exchange Act Rule 13b2-1 and caused Hyperscale Data's violations of Exchange Act Sections 13(b)(2)(A) and 13(b)(2)(B). In summary, the foregoing sections and rules relate to alleged violations of U.S. federal securities laws consisting of, without limitation, material misstatements regarding certain businesses of Hyperscale Data, the failure to disclose interests in related person transactions, improper recording of purported consulting services, erroneous accounting of investments, and the failure to maintain accounting and disclosure controls.

Further, the SEC ordered each of Hyperscale Data, Mr. Ault and Mr. Horne cease and desist from committing or causing any violations and future violations of the foregoing sections and rules of the Securities Act and Exchange Act that the SEC had alleged had been violated by each of them.

Except as set forth in our discussion below in "Certain Relationships and Related Transactions," none of our directors or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Board Independence

Rule 5605 of the Nasdaq Listing Rules requires that independent directors compose a majority of a listed company's board of directors. In addition, the Nasdaq Listing Rules require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act. Under Nasdaq Listing Rule 5605(a)(2), a director will only qualify as an "independent director" if, in the opinion of our Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. To be considered independent for purposes of Rule 10A-3 under the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee: (i) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the company or any of its subsidiaries; or (ii) be an affiliated person of the company or any of its subsidiaries. In addition to satisfying general independence requirements under the Nasdaq Listing Rules, members of the compensation committee must also satisfy additional independence requirements set forth in Rule 10C-1 under the Exchange Act and Nasdaq Listing Rule 5605(d)(2). Pursuant to Rule 10C-1 under the Exchange Act and Nasdaq Listing Rule 5605(d)(2), in affirmatively determining the independence of a member of a compensation committee of a listed company, the board of directors must consider all factors specifically relevant to determining whether that member has a relationship with the company that is material to that member's ability to be independent from management in connection with the duties of a compensation committee member, including: (a) the source of compensation of such member, including any consulting, advisory or other compensatory fee paid by the Company to such member; and (b) whether such member is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company.

As mentioned elsewhere in this Proxy Statement, Lynne Fahey McGrath, M.P.H., Ph.D., formerly an independent director of the Company, passed away on July 20, 2026. Dr. McGrath served as the Chair of the Company's Compensation Committee and as a member of the Company's Nominating and Corporate Governance Committee. While the Company has appointed other independent members of the Board to these committees, it has yet to identify and appoint another independent director who will replace Dr. McGrath. As a result, the Company no longer complies with Nasdaq's independent director requirement as set forth in Nasdaq's Listing Rule 5605. Consistent with Listing Rule 5605(b)(1)(A), the Company must cure this deficiency by no later than January 18, 2027. The Company filed a Current Report on Form 8-K disclosing that Dr. McGrath passed away on July 21, 2026 and another Current Report on Form 8-K disclosing its receipt of a deficiency letter from Nasdaq on August 3, 2026.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, our Board has affirmatively determined that all our directors, except Milton C. Ault, III, who serves as our Vice Chairman of the Board, Stephan Jackman, who serves as our Chief Executive Officer, and Henry Nisser, who serves as our Executive Vice President and General Counsel, are independent directors within the meaning of the applicable Nasdaq Listing Rules and SEC rules. In making this determination, our Board has determined, upon the recommendation of our Nominating and Corporate Governance Committee, that none of these directors has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is independent within the meaning of the director independence standards established by the SEC and the Nasdaq Listing Rules. The Board also determined that each member of our Audit, Compensation and Nominating and Corporate Governance Committees satisfies the independence standards for such committees established by the SEC and the Nasdaq Listing Rules, as applicable.

At least annually, our Board will evaluate all relationships between us and each director considering relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a potential conflict of interest or otherwise interfere with such director's ability to satisfy his or her responsibilities as an independent director. Based on this evaluation, our Board will make an annual determination of whether each director is independent within the meaning of Nasdaq and the SEC independence standards.

Board Meetings and Attendance

Our Board held four (4) meetings during the fiscal year ended April 30, 2026, the Audit Committee held four (4) meetings, the Compensation Committee held one (1) meeting and the Nominating and Corporate Governance Committee did not hold a meeting, and the Board and various committees also took other actions by unanimous written consent. Each of the incumbent directors attended at least 75% of the meetings of the Board or committees of the Board on which he or she served during the fiscal year ended April 30, 2026 (in each case, which were held during the period for which he or she was a director and/or a member of the applicable committee). We encourage, but do not require, our Board members to attend the Annual Meeting.

Board Committees

Our Board has established three (3) standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, each of which is composed solely of independent directors and is described more fully below. Each committee operates pursuant to a written charter and each committee reviews and assesses the adequacy of its charter and submits its charter to the Board for approval. The charters for each committee are all available on our website, www.alzamend.com. The inclusion of our website address here and elsewhere in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement. Our Board may establish other committees from time to time.

The following table provides membership information for each committee:

Name	Audit Committee	Nominating and Corporate Governance Committee	Compensation Committee
William B. Horne	* +	*	**
Mark Gustafson	** +		*
Jeffrey Oram	*	**	*

* Member of Committee

** Chairman of Committee

+ "Audit committee financial expert" as defined in SEC regulations.

Below is a description of each committee of the Board.

Audit Committee

Messrs. Gustafson, Horne and Oram currently serve as members of the Audit Committee, with Mr. Gustafson serving as chair of the committee. Our Board has determined that each current member of the Audit Committee meets the independence requirements of Rule 10A-3 under the Exchange Act and the applicable listing standards of Nasdaq. Our Board determined that each of Mr. Gustafson and Mr. Horne is an “audit committee financial expert,” both within the meaning of the SEC regulations and applicable listing standards of Nasdaq. The report of the Audit Committee is included in this Proxy Statement under “Report of the Audit Committee.” The functions of our Audit Committee include, among other things:

- appointing, approving the compensation of, and assessing the independence of our independent registered public accounting firm;

- monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to our financial statements and accounting matters;
- preparing the Audit Committee report required by the rules of the SEC to be included in our annual proxy statement; and
- reviewing all related party transactions for potential conflict of interest situations and approving all such transactions.

Compensation Committee

Messrs. Horne, Gustafson and Oram currently serve as members of the Compensation Committee, with Mr. Horne serving as chair of the committee. Our Board has determined that each current member of the Compensation Committee is “independent” as defined under the applicable listing standards of Nasdaq. The functions of our Compensation Committee include, among other things:

- annually reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer;
- evaluating the performance of our Chief Executive Officer considering such corporate goals and objectives and determining the compensation of our Chief Executive Officer;
- reviewing and approving the compensation of our other executive officers and certain other members of senior management;
- appointing, compensating and overseeing the work of any compensation consultant, legal counsel or other advisor retained by the Compensation Committee;
- conducting the independence assessment outlined in Nasdaq rules with respect to any compensation consultant, legal counsel or other advisor retained by the Compensation Committee;
- annually reviewing and reassessing the adequacy of the committee charter in its compliance with the listing requirements of Nasdaq;

- reviewing and establishing our overall management compensation, philosophy and policy;
- overseeing and administering our compensation and similar plans;
- reviewing and approving our policies and procedures for the grant of equity-based awards;
- reviewing and making recommendations to the Board with respect to director compensation;
- reviewing and discussing with management the compensation discussion and analysis to be included in our annual proxy statement or Annual Report on Form 10-K; and
- reviewing and discussing with the Board corporate succession plans for the Chief Executive Officer and other key officers.

In fulfilling its responsibilities, the Compensation Committee may delegate any or all its responsibilities to a subcommittee of the Compensation Committee, but only to the extent consistent with our amended and restated Certificate, our amended and restated bylaws (“**Bylaws**”), our Corporate Governance Guidelines, Section 162(m) of the Internal Revenue Code of 1986, as amended (the “**Code**”) (as applicable), the Nasdaq Listing Rules and other applicable law. In addition, pursuant to its charter, the Compensation Committee has the sole authority, in its sole discretion, to retain compensation consultants to assist the Compensation Committee with its functions, including any studies or investigations. The Compensation Committee did not engage a compensation consultant during the year ended April 30, 2026.

Nominating and Corporate Governance Committee

Messrs. Horne and Oram currently serve as members of the Nominating and Corporate Governance Committee, with Mr. Oram serving as chair of the committee. Our Board has determined that each member of the Nominating and Corporate Governance Committee is “independent” as defined under the applicable listing standards of Nasdaq. The functions of our Nominating and Corporate Governance Committee include, among other things:

- developing and recommending to the Board criteria for membership of the Board and committees;
- establishing procedures for identifying and evaluating Board candidates, including candidates recommended by stockholders;
- identifying individuals qualified to become members of the Board;
- recommending to the Board the persons to be nominated for election as directors and to each of the committees of the Board;
- developing and recommending to the Board a set of corporate governance guidelines; and
- overseeing the evaluation of the Board and management.

Identifying and Evaluating Director Nominees

Our Board is responsible for selecting its own members. The Board delegates the selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board, and of management, will be requested to take part in the process as appropriate.

Generally, our Nominating and Corporate Governance Committee identifies candidates for director nominees in consultation with management, using search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the Nominating and Corporate Governance Committee deems to be helpful to identify candidates. Once candidates have been identified, our Nominating and Corporate Governance Committee confirms that the candidates meet all the minimum qualifications for director nominees established by the Nominating and Corporate Governance Committee. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors’ overall service to us during their tenure, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors’ independence. The Nominating and Corporate Governance Committee may gather information about the candidates through interviews, detailed questionnaires, background checks or any other means that the Nominating and Corporate Governance Committee deems to be appropriate in the evaluation process. The Nominating and Corporate Governance Committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and considering the overall composition and needs of our Board. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board’s approval as director nominees for election to the Board. The Nominating and Corporate Governance Committee will consider candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the way it evaluates candidates based on whether the candidate was recommended by a stockholder.

In accordance with our Bylaws and the charter of our Nominating and Corporate Governance Committee, nominations and recommendations of individuals for election to our Board at an annual meeting of stockholders may be made by any stockholder of record entitled to vote for the election of directors at such meeting who provides timely notice in writing to our Secretary at our principal executive offices. To be timely, we must receive the notice not less than 90 days nor more than 120 days prior to the first anniversary of the date of the prior year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, we must receive the stockholder's notice (i) no earlier than the close of business on the 120th day prior to the proposed date of the annual meeting and (ii) no later than the close of business on the later of the 90th day prior to the annual meeting or the 10th day following the day on which we first make a public announcement of the date of the annual meeting. The stockholder's written notice must contain specific information required in Section 2.15 of our Bylaws. For additional information about our director nomination requirements, please see our Bylaws.

Minimum Qualifications

Our Nominating and Corporate Governance Committee considers, among other things, the following qualifications, skills and attributes when recommending candidates for the Board's selection as director nominees for the Board and as candidates for appointment to the Board's committees: a director nominee shall have the highest personal and professional integrity, shall have demonstrated exceptional ability and judgment, and shall be most effective, in conjunction with the other director nominees to the Board, in collectively serving the long-term interests of the stockholders.

In evaluating proposed director candidates, our Nominating and Corporate Governance Committee may consider, in addition to the minimum qualifications and other criteria for board membership approved by the Board from time to time, all facts and circumstances that it deems appropriate or advisable, including, among other things, diversity considerations, the skills of the proposed director candidate, his or her depth and breadth of professional experience or other background characteristics, his or her independence (if applicable) and the needs of the Board. We have no formal policy regarding board diversity, but believe that our Board, taken as a whole, should embody a diverse set of skills, experiences and backgrounds. In this regard, the committee also takes into consideration the diversity (for example, with respect to gender, race and national origin) of our board members. The committee does not make any particular weighting of diversity or any other characteristic in evaluating nominees and directors. Our committee's priority in selecting board members is the identification of persons who will further the interests of our company through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, and professional and personal experiences and expertise relevant to our growth strategy.

Certain Board Arrangements

In May 2021, the Board and Mr. Ault, our Founder and Chairman Emeritus, agreed to certain arrangements with regard to our Board composition and other matters. Contemporaneously with the consummation of the initial public offering, and in consideration for (i) the conversion of 750 shares of our then series A convertible preferred stock beneficially owned by Mr. Ault through Ault Life Sciences, Inc. ("ALSI") into 11,111 shares of Common Stock, (ii) the extension of the maturity date of the promissory note in the original principal amount of \$15,000,000 (the "ALSF Note") issued to us by Ault Life Sciences Fund, LLC ("ALSF") to December 31, 2023, and (iii) the resignation of Mr. Ault as a director and executive officer of our company, the Board agreed that William B. Horne be named our Chairman of the Board and remain in that position for so long as Mr. Ault beneficially owns no less than 5% of the outstanding shares of Common Stock (for which Mr. Horne will be paid \$50,000 per year for his services), and Mr. Nisser remain a member of our Board of Directors for so long as Mr. Ault beneficially owns no less than 5% of the outstanding shares of Common Stock (for no additional remuneration). Effective October 2025, Mr. Ault no longer beneficially owned 5% or more of the outstanding shares of Common Stock, and as such, these rights terminated at such time. Immediately following the closing of the initial public offering in June 2021, we entered into a five-year consulting agreement with Mr. Ault under which he will provide strategic advisory and consulting services to us in consideration for annual fees of \$50,000. Upon Mr. Ault's reappointment to the Board in January 2024, the consulting agreement was terminated.

However, pursuant to the Securities Purchase Agreement dated July 31, 2026, for as long as Ault Lending, LLC (the “Investor”) and its affiliates beneficially own no less than five percent (5%) of the Common Stock: (a) William B. Horne will remain the Chairman of the Board and be paid \$50,000 per annum for his services; (b) Henry C. W. Nisser will remain a member of the Board for no additional remuneration, and (c) Milton C. Ault (i) will be named as the Company’s Founder and Chairman Emeritus in any public filing or other publicized report filed or issued by the Company; and (ii) will remain a member of the Board and be paid \$25,000 per annum for serving in such capacity.

Leadership Structure and Risk Oversight

Our Board is currently chaired by Mr. Horne. Mr. Horne has been a director since June 2016 and served as our Chief Financial Officer from June 2016 until December 2018. Given Mr. Horne’s extensive history with and knowledge of our company, we believe his role as our Chairman facilitates a regular flow of information between the Board and management and ensures that they both act with a common purpose.

One of the key functions of our Board is informed oversight of our risk management process. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for us. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who beneficially own more than 10% of our Common Stock to file initial reports of ownership and changes in ownership of our Common Stock and other equity securities with the SEC. These individuals are required by the regulations of the SEC to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of the forms furnished to us, and written representations from reporting persons, we believe that all filing requirements applicable to our officers, directors and 10% beneficial owners were complied with during our fiscal year ended April 30, 2026, except for a Form 4 filed late by (i) a director for reporting the conversion of certain convertible derivative securities and the issuance of common stock thereupon and (ii) each of our executive officers and directors for reporting the exercisability (upon receipt of stockholder approval) of certain vested stock options awards previously granted.

Code of Business Conduct and Ethics

Our Board has adopted a written code of business conduct and ethics, revised effective May 25, 2021, that applies to our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer or controller, or persons performing similar functions (the “**Code of Conduct and Ethics**”). In addition, on May 25, 2021, we adopted a Code of Ethics for our Chief Executive Officer and our Senior Financial Officers (the “**Code of Ethics**”). We have posted on our website a current copy of both codes and all disclosures that are required by law in regard to any amendments to, or waivers from, any provision of the Code of Conduct and Ethics.

Stockholder Communications with Our Board of Directors

Stockholders wishing to communicate directly with our Board may send correspondence to our Secretary, c/o Alzamend Neuro, Inc., 3480 Peachtree Road NE, Second Floor, Suite 103, Atlanta, GA 30326. Our Secretary will forward all comments directly to the Board. These communications will be reviewed by the Secretary of the Company designated by the Board who will determine whether the communication is appropriate for presentation to the Board or the relevant director. The purpose of this screening is to allow the Board to avoid having to consider irrelevant or inappropriate communications (such as advertisements, solicitations and hostile communications).

Director Compensation

Effective January 1, 2026, the Company pays each independent director, other than Mr. Horne, an annual base amount of \$35,000. In addition, the chairperson of the audit committee (Mr. Gustafson) receives an additional \$10,000 annually. Mr. Horne, our other independent director, receives an annual base amount of \$50,000 for serving as Chairman of the Board. Additionally, our Board makes recommendations for adjustments to an independent director's compensation when the level of services provided are significantly above what was anticipated.

The table below sets forth, for each non-employee director, the total amount of compensation related to his or her service during the year ended April 30, 2026:

Name	Fees earned or paid in cash (\$)	Stock awards (\$)	Options awards (\$)	All other compensation (\$)	Total (\$)
William B. Horne	50,000	-	46,611	-	96,611
Milton C. Ault III	25,000	-	77,685	-	102,685
Mark Gustafson	31,667	-	46,611	-	78,278
Lynne Fahey McGrath ⁽¹⁾	31,667	-	46,611	-	78,278
Jeffrey Oram	28,333	-	46,611	-	74,944

(1) Ms. McGrath passed away on July 20, 2026 and Mr. Woo passed away on November 14, 2025.

Vote Required

Directors are elected by a plurality of the votes of the Voting Capital Stock. Accordingly, the six (6) nominees receiving the most "FOR" votes will be elected as directors. You may not vote your shares cumulatively for the election of directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the six (6) nominees named above. If any nominee becomes unavailable for election because of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our Board. Your proxy cannot be voted for a greater number of persons than the number of director nominees named in this Proxy Statement.

Our Recommendation

The Board unanimously recommends that the stockholders vote "FOR" each of the director nominees.

PROPOSAL 2:

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of Haskell & White LLP, independent registered public accounting firm, has been selected by the Audit Committee as our auditors for the fiscal year ending April 30, 2027. Haskell & White LLP has acted as the independent registered public accounting firm for Alzamend Neuro since 2024. No representative of Haskell & White LLP is expected to attend the Annual Meeting.

The Company's organizational documents do not require that the stockholders ratify the selection of Haskell & White LLP as the Company's independent registered public accounting firm. Alzamend Neuro requests such ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether to retain Haskell & White LLP, but may still retain this firm. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of Alzamend Neuro and its stockholders.

Independent Registered Public Accounting Firm Fees

The following table shows the aggregate fees paid by us for professional services by Haskell & White for the years ended April 30, 2026 and 2025:

	2026	2025

Audit-Related Fees	8,000	16,500
Tax Fees	—	—

Audit-Related Fees. This category includes the aggregate fees paid in each of the last two years for assurance and related services by the independent auditors that are reasonably related to the performance of the audits or reviews of the financial statements and are not reported above under "Audit Fees," and generally consist of fees for other engagements under professional auditing standards, accounting and reporting consultations, internal control-related matters, and audits of employee benefit plans.

Tax Fees. This category includes the aggregate fees paid in each of the last two years for professional services rendered by the independent auditors for tax compliance, tax planning and tax advice.

All Other Fees. This category includes the aggregate fees paid in each of the last two years for products and services provided by the independent auditors that are not reported above under "Audit Fees," "Audit-Related Fees," or "Tax Fees."

Pre-Approval Policy

The Audit Committee's policy is to pre-approve all services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee may also pre-approve particular services on a case-by-case basis. Our independent auditors are required to report periodically to the Audit Committee regarding the extent of services they provide in accordance with such pre-approval.

Review of the Company's Audited Financial Statements for the Fiscal Year Ended April 30, 2026

The Audit Committee met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 114 (Codification of Statements on Auditing Standards, AU 380), as amended.

In addition, the Audit Committee discussed with the independent auditors the auditors' independence from the Company and its management, and the independent auditors provided to the Audit Committee the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examinations and the overall quality of the Company's internal controls and financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee approved the audited financial statements for inclusion in the Company's Annual Report on Form 10-K for the year ended April 30, 2026 for filing with the SEC.

Report of the Audit Committee of the Board of Directors

The material in this report is not "soliciting material," is not deemed filed with the SEC and is not to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

The audit committee has reviewed and discussed the audited financial statements for the fiscal year ended April 30, 2026 with management of the Company. The audit committee has discussed with our independent registered public accounting firm, Haskell & White LLP, the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") and the SEC. The audit committee has also received the written disclosures and the letter from Haskell & White LLP required by applicable requirements of the PCAOB regarding Haskell & White LLP's communications with the audit committee concerning independence, and has discussed with Haskell & White LLP the firm's independence. Based on the foregoing, the audit committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended April 30, 2026 for filing with the SEC.

PROPOSAL 3:

APPROVAL, PURSUANT TO NASDAQ RULE 5635, OF THE CONVERSION OF SHARES OF OUR SERIES D PREFERRED STOCK PURSUANT TO THE SECURITIES PURCHASE AGREEMENT WITH THE INVESTOR

We are asking our stockholders to approve the issuance by the Company to the Investor of up to Twenty-five Thousand (25,000) shares of Series D Preferred Stock (the “**Preferred Shares**”) for a total purchase price of up to \$25 million dollars (the “**Financing**”), which purchase price shall consist of cash payable in tranches over time as further described below pursuant to that certain Securities Purchase Agreement (the “**SPA**”) by and between the Company and the Investor dated July 31, 2026 (the “**Execution Date**”).

We are seeking stockholder approval for the issuance of shares in excess of 19.99% of the total number of shares of Common Stock outstanding as of the Execution Date. If this Proposal No. 3 is not approved by our stockholders, the Company will need to raise cash financing from a different source, which would likely increase the difficulty that the Company would experience in obtaining adequate financing on terms as reasonable as those agreed to by the Investor, which would in turn prevent or curtail the Company’s ability to satisfy Rule 5550(b)(1) (the “**Equity Rule**”) of the Nasdaq Stock Market (“**Nasdaq**”), which requires that issuers have no less than Two Million, Five Hundred Thousand Dollars (\$2,500,000) in stockholders’ equity, in our case by no later than September 16, 2026.

The Investor is an affiliate of the Company. Consequently, it may not vote its shares of Affiliated Voting Capital Stock on this Proposal No. 3.

Description of the Securities Purchase Agreement and the Series D Preferred Stock

Description of the SPA

The Agreement provides that the Financing may be conducted through multiple closings. The Investor purchased \$7.5 million in Preferred Shares at the Initial Tranche Closing, and agreed to purchase an additional \$2.5 million in Preferred Shares at the second tranche closing (the “**Second Tranche Closing**”). Commencing thirty (30) days after the Second Tranche Closing, and on each monthly anniversary thereafter (each, a “**Monthly Closing Date**”), the Investor has agreed to purchase an additional \$1.0 million in Preferred Shares until the aggregate cash purchase price paid by the Investor (inclusive of the Initial Tranche Closing and the Second Tranche Closing) equals \$25,000,000.

Actual sales of Preferred Shares to the Investor from time to time will depend on our ability to meet certain closing conditions (the “**Closing Conditions**”) at each tranche closing in order for the Investor to be required to purchase additional Preferred Shares.

Notwithstanding the existence of the Closing Conditions, the Investor has the ability to invest any amount in its sole discretion in advance of the dates that the Closing Conditions shall have been met. If we sell to the Investor the remaining Preferred Shares after the Initial Closing, we will receive \$17.5 million of gross proceeds. We currently expect to use the net proceeds from the sale of the Preferred Shares for working capital and general corporate purposes.

The Company agreed to use its best efforts to file this preliminary proxy statement no later than 15 days after the Execution Date and thereafter use its reasonable best efforts to file a definitive proxy statement related to a special meeting of the Company’s stockholders within 45 days of the Execution Date for purposes of seeking stockholder approval of the issuance of all the Conversion Shares in excess of the “Nasdaq Limit,” which is 19.99% of the shares of Common Stock issued and outstanding on the Execution Date.

The SPA contains customary representations, warranties and agreements by the Company, obligations of the parties, termination provisions and closing conditions. The representations, warranties and covenants contained in the SPA were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.

For as long as the Investor and its affiliates beneficially own no less than five percent (5%) of the Common Stock: (a) William B. Horne will remain the Chairman of the Board and be paid \$50,000 per annum for his services; (b) Henry C. W. Nisser will remain a member of the Board for no additional remuneration; (c) Milton C. Ault: (i) will be named as the Company’s Founder and Chairman Emeritus in any public filing or other publicized report filed or issued by the Company; and (ii) will remain a member of the Board and be paid \$25,000 per annum for serving in such capacity.

Description of the Preferred Shares

General

The following is a brief summary of certain terms and conditions of the Preferred Shares. The following description is subject in all respects to the provisions contained in the Certificate of Designation of the Rights and Preferences of the Series D Preferred Stock (the “**Certificate**”). The Preferred Shares are governed by the Certificate, which was filed with the Delaware Secretary of State on July 31, 2026.

Dividends

Holders of the Preferred Shares will not be entitled to receive dividends.

Conversion

Each Preferred Share is convertible into such number of shares of Common Stock (the “**Conversion Shares**”) equal to the greater of (i) the greater of (A) \$0.10 per share or (B) 20% of the closing price of the Common Stock on the trading day immediately prior to the date of execution of the Agreement (the “**Floor Price**”), which Floor Price shall be adjusted for stock dividends, stock splits, stock combinations and other similar transactions and (ii) 80% of the lowest closing bid price of the Common Stock during the five (5) trading days immediately prior to the date of conversion into Conversion Shares, but not greater than \$2.00 per share (the “**Maximum Price**”), which Maximum Price shall be adjusted for stock dividends, stock splits, stock combinations and other similar transactions.

Voting Rights

The holders of the Preferred Shares are entitled to vote with the Common Stock as a single class on an as-converted basis, subject to applicable law provisions of the Delaware General Corporation Law and the rules of the Nasdaq, provided however, that for purposes of complying with Nasdaq rules, the conversion price, for purposes of determining the number of votes the holder of Preferred Shares is entitled to cast, shall not be lower than \$1.4175 (the “**Voting Floor Price**”), which represents the closing sale price of the Common Stock on the trading day immediately prior to the Execution Date.

Exchange Cap

The Preferred Shares will not be convertible into Conversion Shares in excess of the Nasdaq Limit, except in the event that the Company obtains stockholder approval for issuances or voting of Conversion Shares in excess of the Nasdaq Limit. Until such approval has been obtained, the Investor may not vote or convert more than the number of Conversion Shares equal to the Nasdaq Limit.

Beneficial Ownership Limitations

A holder of the Preferred Shares will not have the right to convert any such shares, and the Company will not effect any conversion of any Preferred Shares, to the extent that after giving effect to such conversion, the holder would beneficially own in excess of 4.99% of the outstanding shares of our Common Stock calculated in accordance with Section 13(d) of the Exchange Act. However, any holder may increase or decrease such beneficial ownership limitation upon notice to us, provided that such limitation cannot exceed 9.99%, and provided that any increase in the beneficial ownership limitation shall not be effective until 61 days after such notice is delivered.

Exchange Listing

There is no established trading market for the Preferred Shares and we do not expect a market to develop. In addition, we do not intend to apply for the listing of the Preferred Shares on any national securities exchange or other trading market. Without an active trading market, the liquidity of the Preferred Shares will be extremely limited.

Liquidation

In the event of liquidation, dissolution, or winding up of the Company, the holders of Preferred Shares have a preferential right to receive an amount equal to the Stated Value of the Preferred Shares before any distribution to other classes of capital stock. If the assets are insufficient, the distribution will be prorated among the holders of Preferred Shares. The Preferred Shares rank senior over other classes of preferred stock that we may issue in the future, unless the certificate of designation for any future series of preferred stock states otherwise.

No Short-Selling or Hedging by the Investor

The Investor has agreed that, during the term of the SPA, neither the Investor nor any of its affiliates will engage in any short sales or hedging transactions with respect to our Common Stock.

Stockholder Approval Requirement

As noted above, the SPA provides that the number of shares to be issued to the Investor is initially limited to 19.99% of the total number of shares of Common Stock outstanding as of the date of the SPA until such time as the stockholders of the Company approve the issuance of additional shares, which include the Conversion Shares underlying the Preferred Shares.

Rule 5635 of the Nasdaq requires stockholder approval of a transaction, other than a public offering, involving the sale, issuance or potential issuance by an issuer of Common Stock (or securities convertible into or exercisable for Common Stock) at a price less than the greater of book or market value which together with sales by officers, directors or principal stockholders of the issuer equals 20% or more of presently outstanding Common Stock, or equal to 20% or more of presently outstanding stock for less than the greater of book or market value of the stock, or when the issuance or potential issuance of additional shares will result in a change of control of the issuer. Stockholder approval of this Proposal No. 3 will constitute stockholder approval for purposes of Rule 5635 of the Nasdaq.

We are seeking stockholder approval for the issuance of a presently indeterminate number of shares of Common Stock to the Investor in connection with the conversion of the Preferred Shares.

Our stockholders are not entitled to dissenters' rights with respect to this proposal, and we will not independently provide stockholders with any such right.

Reasons for Transaction

The Company will need to raise significant cash financing to operate and expand its operations and meet the requirements of the Equity Rule. In the event that the Company is unable to obtain funding from the Investor through its acquisition of Preferred Shares for cash through the consummation of the SPA, the Company anticipates it would need to seek alternative methods of raising cash for future expansion of its business, likely under far less favorable terms than those offered by the Investor.

Effect on Current Stockholders; Dilution

The SPA does not affect the rights of the holders of outstanding Common Stock, but the issuance of Preferred Shares to the Investor pursuant to the terms of the SPA will have a dilutive effect on our existing stockholders, including the voting power and the economic rights of the existing stockholders. If we were to issue the Investor all 98,388,305 shares of Common Stock which it may acquire with stockholder approval (presuming that all Preferred Shares were converted at the Floor Price), the Investor would have acquired approximately ____% of the _____ shares of Common Stock that would then have been outstanding as of the Record Date.

The availability for sale of a large amount of shares by the Investor may depress the market price of our Common Stock and, going forward, may impair our ability to raise additional capital through the public sale of our Common Stock. We do not have any arrangement with the Investor to address the possible effect on the price of our Common Stock of the sale by the Investor of its shares.

Vote Required Vote

The Series D Proposal requires the receipt of the affirmative vote of a majority of the shares of the Eligible Voting Capital Stock, provided, however, that the Investor may not vote its Affiliated Voting Capital Stock as it is an affiliate of the Company.

Our Recommendation

The Board unanimously recommends a vote "FOR" the approval of the issuance of shares of Common Stock underlying the Preferred Shares to the Investor in order to comply with Rule 5635 of the Nasdaq.

PROPOSAL 4:

APPROVAL OF THE ADJOURNMENT OF THE ANNUAL MEETING

Overview

The Proposal to adjourn the Annual Meeting (the “**Adjournment Proposal**”) allows the Board to submit a proposal to adjourn the Annual Meeting to a later date or dates, if necessary, to permit further solicitation of proxies in the event, based on the tabulated votes, there are not sufficient votes at the time of the Annual Meeting to approve any of the proposals.

If stockholders approve the Adjournment Proposal, we could adjourn the Annual Meeting and any subsequent, adjourned meeting of stockholders and use the additional time to solicit required proxies, including proxies from stockholders who previously may have returned properly executed proxies voting against any of the proposals adjourned. In no event will we solicit proxies to adjourn the Annual Meeting beyond the date by which it may properly do so under Delaware law.

If the Adjournment Proposal is presented at the Annual Meeting and such proposal is not approved by stockholders, the Board may not be able to adjourn the Annual Meeting to a later date in the event, based on the tabulated votes, there are not sufficient votes at the time of the Annual Meeting to approve one or more of the proposals.

Vote Required

The Adjournment Proposal requires the receipt of the affirmative vote from the holders of a majority of the Eligible Voting Capital Stock.

Our Recommendation

The Board unanimously recommends that stockholders vote “FOR” the Adjournment Proposal.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are providing disclosure regarding the ratio of annual total compensation of Mr. Jackman, our Chief Executive Officer, to that of our median employee. Our median employee earned \$130,000 in total compensation for our fiscal year ended April 30, 2026. Based upon the total fiscal year 2026 compensation reported for Mr. Jackman of \$799,415 as reported under “Total” in the Summary Compensation Table, our ratio of CEO to median employee pay was 6:1.

Calculation Methodology

To identify our median employee, we identified our total employee population worldwide as of April 30, 2026, excluding our Chief Executive Officer, in accordance with SEC rules. On April 30, 2026, all of our employee population was located in the U.S.

We collected full-year fiscal year 2026 actual gross earnings data for the April 30, 2026 employee population, including cash-based compensation and equity-based compensation that was realized in fiscal year 2026, relying on our internal payroll records. Compensation was annualized on a straight-line basis for non-temporary new hire employees who did not work with our company for the full calendar year.

Once we determined the median employee, we calculated total compensation for the median employee in the same manner in which we determine the compensation shown for our named executive officers in the Summary Compensation Table, in accordance with SEC rules.

Policies on Ownership, Insider Trading, 10b5-1 Plans and Hedging

We do not have formal stock ownership guidelines for our employees or directors, because the Board is satisfied that stock and option holdings among our employees or directors are sufficient at this time to provide motivation and to align this group's interests with those of our stockholders.

We have established an insider trading policy that provides guidelines to, and imposes restrictions on, officers, directors and employees with respect to transactions in our securities. Our insider trading policy prohibits certain actions by such individuals relating to buying and selling our Common Stock, and discourages certain other actions in other situations. Such individuals are authorized to enter into trading plans established according to Section 10b5-1 of the Exchange Act with an independent broker-dealer. Under these plans, the individual must not exercise any influence over the amount of the securities to be traded, the price at which they are to be traded or the date of the trade. The plan must either specify the amount, pricing and timing of transactions in advance or delegate discretion on these matters to an independent third party. Such plans provide a defense from insider trading liability.

We have not adopted any hedging policies.

Incentive Compensation Plans

2021 Stock Incentive Plan

In February 2021, our stockholders approved our company's 2021 Stock Incentive Plan (the "2021 Plan"). The 2021 Plan provides for the issuance of a maximum of 7,407 shares of our common stock to be offered to our directors, officers, employees and consultants. Options granted under the 2021 Plan have an exercise price equal to or greater than the fair value of the underlying common stock at the date of grant and become exercisable based on a vesting schedule determined at the date of grant. The options expire ten years from the date of grant. Restricted stock awards granted under the 2021 Plan are subject to a vesting period determined at the date of grant. In November 2025, the Board adopted a resolution to terminate the 2021 Plan once the outstanding options granted under the 2021 Plan had been exercised, cancelled or expired. As a result, no new grants will be made from the 2021 Plan.

2025 Stock Incentive Plan

In April 2026, our stockholders approved our company's 2025 Stock Incentive Plan (the "2025 Plan"). The 2025 Plan authorizes the grant to eligible individuals of (1) stock options (incentive and non-statutory), (2) restricted stock, (3) stock appreciation rights, or SARs, (4) restricted stock units, and (5) other stock-based compensation.

Stock Subject to the 2025 Plan. The maximum number of shares of our common stock that may be issued under the 2025 Plan is 1,600,000 shares, which number will be increased to the extent that compensation granted under the 2025 Plan is forfeited, expires or is settled for cash (except as otherwise provided in the 2025 Plan). Substitute awards (awards made or shares issued by us in assumption of, or in substitution or exchange for, awards previously granted, or the right or obligation to make future awards, in each case by a company that we acquire or any subsidiary of ours or with which we or any subsidiary combines) will not reduce the shares authorized for grant under the 2025 Plan, nor will shares subject to a substitute award be added to the shares available for issuance or transfer under the 2025 Plan.

No Liberal Share Recycling. Notwithstanding anything to the contrary, any and all stock that is (i) withheld or tendered in payment of an option exercise price; (ii) withheld by us or tendered by the grantee to satisfy any tax withholding obligation with respect to any award; (iii) covered by a SAR that it is settled in stock, without regard to the number of shares of stock that are actually issued to the grantee upon exercise; or (iv) reacquired by us on the open market or otherwise using cash proceeds from the exercise of options, will not be added to the maximum number of shares of stock that may be issued under the 2025 Plan.

Eligibility. Employees of, and consultants to, our company or our affiliates and members of our Board are eligible to receive equity awards under the 2025 Plan. Only our employees, and employees of our parent and subsidiary corporations, if any, are eligible to receive incentive stock options. Employees, directors (including non-employee directors) and consultants of or for our company and our affiliates are eligible to receive non-statutory stock options, restricted stock, purchase rights and any other form of award the 2025 Plan authorizes.

Purpose. The purpose of the 2025 Plan is to promote the interests of our company and our stockholders by providing executive officers, employees, non-employee directors, and key advisors of our company and our subsidiaries with appropriate incentives and rewards to encourage them to enter into and remain in their positions with us and to acquire a proprietary interest in our long-term success, as well as to reward the performance of these individuals in fulfilling their personal responsibilities for long-range and annual achievements.

Administration. Unless otherwise determined by the Board, the Compensation Committee administers the 2025 Plan. The Compensation Committee is composed solely of “non-employee directors” within the meaning of Rule 16b-3 under the Exchange Act, “outside directors” within the meaning of Section 162(m) of the Internal Revenue Code, and “independent directors” within the meaning of the Nasdaq Marketplace Rules. The Compensation Committee has the power, in its discretion, to grant awards under the 2025 Plan, to select the individuals to whom awards are granted, to determine the terms of the grants, to interpret the provisions of the 2025 Plan and to otherwise administer the 2025 Plan. Except as prohibited by applicable law or any rule promulgated by a national securities exchange to which our company may in the future be subject, the Compensation Committee may delegate all or any of its responsibilities and powers under the 2025 Plan to one or more of its members, including, without limitation, the power to designate participants and determine the amount, timing and term of awards under the 2025 Plan. In no event, however, will the Compensation Committee have the power to accelerate the payment or vesting of any award, other than in the event of death, disability, retirement or a change of control of our company.

The 2025 Plan provides that members of the Compensation Committee will be indemnified and held harmless by us from any loss or expense resulting from claims and litigation arising from actions related to the 2025 Plan.

Term. The 2025 Plan was effective as of April 17, 2026, and awards may be granted through April 16, 2036. No awards may be granted under the 2025 Plan subsequent to that date. The Board may suspend or terminate the 2025 Plan without stockholder approval or ratification at any time or from time to time.

Amendments. Subject to the terms of the 2025 Plan, the Compensation Committee, as administrator, has the sole discretion to interpret the provisions of the 2025 Plan and outstanding awards. Our Board generally may amend or terminate the 2025 Plan at any time and for any reason, except that no amendment, suspension or termination may impair the rights of any participant without his or her consent, and except that approval of our stockholders is required for any amendment which, among provisions, increases the number of shares of common stock subject to the 2025 Plan, decreases the price at which grants may be granted and reprices existing options.

Repricing Prohibition. Other than in connection with certain corporate events, the Compensation Committee will not, without the approval of our stockholders, (a) lower the option price per share of an option or SAR after it is granted, (b) cancel an option or SAR when the exercise price per share exceeds the fair market value of one share in exchange for cash or another award (other than in connection with a change of control), or (c) take any other action with respect to an option or SAR that would be treated as a repricing under the rules and regulations of the principal U.S. national securities exchange on which our shares are then listed.

Minimum Vesting Requirement. Grantees of full-value awards (i.e., awards other than options and SARs), will be required to continue to provide services to us or an affiliated company) for not less than one-year following the date of grant in order for any such full-value awards to fully or partially vest (other than in case of death, disability or a Change of Control). Notwithstanding the foregoing, up to 5% of the available shares of stock authorized for issuance under the 2021 Plan may provide for vesting of full-value awards, partially or in full, in less than one year.

Adjustments upon Changes in Capitalization. In the event of any merger, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in our corporate structure affecting our common stock or the value thereof, appropriate adjustments to the 2025 Plan and awards will be made as the Board determines to be equitable or appropriate, including adjustments in the number and class of shares of stock available for issuance under the 2025 Plan, the number, class and exercise or grant price of shares subject to awards outstanding under the 2025 Plan, and the limits on the number of awards that any person may receive.

Change of Control. Agreements evidencing awards under the 2025 Plan may provide that upon a Change of Control (as defined in the 2025 Plan), unless otherwise provided in the agreement evidencing an award), outstanding awards may be cancelled and terminated without payment if the consideration payable with respect to one share of stock in connection with the Change of Control is less than the exercise price or grant price applicable to such award, as applicable.

Notwithstanding any other provisions of the 2025 Plan to the contrary, the vesting, payment, purchase or distribution of an award may not be accelerated by reason of a Change of Control for any participant unless the Grantee's employment is involuntarily terminated as a result of the Change of Control as provided in the Award agreement or in any other written agreement, including an employment agreement, between us and the participant. If the Change of Control results in the involuntary termination of participant's employment, outstanding awards will immediately vest, become fully exercisable and may thereafter be exercised.

Generally, under the 2025 Plan, a Change of Control occurs upon (i) the consummation of a reorganization, merger or consolidation of our company with or into another entity, pursuant to which our stockholders immediately prior to the transaction do not own more than 50% of the total combined voting power after the transaction, (ii) the consummation of the sale, transfer or other disposition of all or substantially all of our assets, (iii) certain changes in the majority of our Board from those in office on the effective date of the 2025 Plan, (iv) the acquisition of more than 50% of the total combined voting power in our outstanding securities by any person, or (v) we are dissolved or liquidated.

Types of Awards

Stock Options. Incentive stock options and non-statutory stock options are granted pursuant to award agreements adopted by our Compensation Committee. Our Compensation Committee determines the exercise price for a stock option, within the terms and conditions of the 2025 Plan; provided, that the exercise price of an incentive stock option cannot be less than 100% of the fair market value of our common stock on the date of grant. Options granted under the 2025 Plan vest at the rate specified by our Compensation Committee.

The Compensation Committee determines the term of stock options granted under the 2025 Plan, up to a maximum of 10 years, except in the case of certain Incentive Stock Options, as described below. The Compensation Committee will also determine the length of period during which an optionee may exercise their options if an optionee's relationship with us, or any of our affiliates, ceases for any reason; for incentive stock options, this period is limited by applicable law. The Compensation Committee may extend the exercise period in the event that exercise of the option following termination of service is prohibited by applicable securities laws. In no event, however, may an option be exercised beyond the expiration of its term unless the term is extended in accordance with applicable law.

Acceptable consideration for the purchase of common stock issued upon the exercise of a stock option will be determined by the Compensation Committee and may include (a) cash or its equivalent, (b) delivering a properly executed notice of exercise of the option to us and a broker, with irrevocable instructions to the broker promptly to deliver to us the amount necessary to pay the exercise price of the option, (c) any other form of legal consideration that may be acceptable to the Compensation Committee or (d) any combination of (a), (b) or (c).

Unless the Compensation Committee provides otherwise, options are generally transferable in accordance with applicable law, provided that any transferee of such options agrees to become bound by the terms of the 2025 Plan. An optionee may also designate a beneficiary who may exercise the option following the optionee's death.

Incentive or Non-statutory Stock Options. Incentive stock options may be granted only to our employees, and the employees of our parent or subsidiary corporations, if any. The Compensation Committee may grant awards of incentive or non-statutory stock options that are fully vested on the date made, to any of our employees, directors or consultants. Option awards are granted pursuant to award agreements adopted by our Compensation Committee. To the extent required by applicable law, the aggregate fair market value, determined at the time of grant, of shares of our common stock with respect to incentive stock options that are exercisable for the first time by an optionee during any calendar year may not exceed \$100,000. To the extent required by applicable law, no incentive stock option may be granted to any person who, at the time of the grant, owns or is deemed to own stock possessing more than 10% of our total combined voting power or that of any of our affiliates unless (a) the option exercise price is at least 110% of the fair market value of the stock subject to the option on the date of grant and (b) the term of the incentive stock option does not exceed five years from the date of grant.

Stock Appreciation Rights. An SAR is the right to receive stock, cash, or other property equal in value to the difference between the grant price of the SAR and the market price of our common stock on the exercise date. SARs may be granted independently or in tandem with an option at the time of grant of the related option. An SAR granted in tandem with an option will be exercisable only to the extent the underlying option is exercisable. An SAR confers on the grantee a right to receive an amount with respect to each share of common stock subject thereto, upon exercise thereof, equal to the excess of (A) the fair market value of one share of common stock on the date of exercise over (B) the grant price of the SAR (which in the case of an SAR granted in tandem with an option will be equal to the exercise price of the underlying option, and which in the case of any other SAR will be such price as the Compensation Committee may determine but in no event will be less than the fair market value of a share of common stock on the date of grant of such SAR).

Restricted Stock and Restricted Stock Units. Restricted stock is common stock that we grant subject to transfer restrictions and vesting criteria. A restricted stock unit is a right to receive stock or cash equal to the value of a share of stock at the end of a specified period that we grant subject to transfer restrictions and vesting criteria. The grant of these awards under the 2025 Plan are subject to such terms, conditions and restrictions as the Compensation Committee determines consistent with the terms of the 2025 Plan.

At the time of grant, the Compensation Committee may place restrictions on restricted stock and restricted stock units that will lapse, in whole or in part, only upon the attainment of performance goals; provided that such performance goals will relate to periods of performance of at least one fiscal year, and if the award is granted to a 162(m) officer, the grant of the award and the establishment of the performance goals will be made during the period required under Internal Revenue Code Section 162(m). Except to the extent restricted under the award agreement relating to the restricted stock, a grantee granted restricted stock will have all of the rights of a stockholder, including the right to vote restricted stock and the right to receive dividends.

Unless otherwise provided in an award agreement, upon the vesting of a restricted stock unit, there will be delivered to the grantee, within 30 days of the date on which such award (or any portion thereof) vests, the number of shares of common stock equal to the number of restricted stock units becoming so vested.

Other Stock-Based Awards. The 2025 Plan also allows the Compensation Committee to grant “Other Stock-Based Awards,” which means a right or other interest that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, common stock. Subject to the limitations contained in the 2025 Plan, this includes, without limitation, (i) unrestricted stock awarded as a bonus or upon the attainment of performance goals or otherwise as permitted under the 2025 Plan, and (ii) a right to acquire stock from us containing terms and conditions prescribed by the Compensation Committee. At the time of the grant of other stock-based awards, the Compensation Committee may place restrictions on the payout or vesting of other stock-based awards that will lapse, in whole or in part, only upon the attainment of performance goals; provided that such Performance Goals will relate to periods of performance of at least one fiscal year, and if the award is granted to a 162(m) Officer, the grant of the Award and the establishment of the performance goals will be made during the period required under Internal Revenue Code Section 162(m). Other Stock-Based Awards may not be granted with the right to receive dividend equivalent payments.

Performance Awards. Performance awards provide participants with the opportunity to receive shares of our common stock, cash or other property based on performance and other vesting conditions. Performance awards may be granted from time to time as determined at the discretion of the Board, or the Compensation Committee (as applicable). Subject to the share limit and maximum dollar value set forth above under “Limits per Participant,” the Board, or the Compensation Committee (as applicable), has the discretion to determine (i) the number of shares of common stock under, or the dollar value of, a performance award and (ii) the conditions that must be satisfied for grant or for vesting, which typically will be based principally or solely on achievement of performance goals.

Performance Criteria. With respect to awards intended to qualify as performance-based compensation under Code Section 162(m), a committee of “outside directors” (as defined in Code Section 162(m)) with authority delegated by our Board will determine the terms and conditions of such awards, including the performance criteria. The performance goals for restricted stock awards, restricted stock units, performance awards or other stock-based awards will be based on the attainment of specified levels of, among other metrics, the attainment of certain target levels of, or a specified percentage increase in, revenues, earnings, income before taxes and extraordinary items, net income, operating income, earnings before or after deduction for all or any portion of income tax, earnings before interest, taxes, depreciation and amortization or a combination of any or all of the foregoing.

The performance goals may be based solely by reference to our performance or the performance of one or more of our subsidiaries, parents, divisions, business segments or business units, or based upon the relative performance of other companies or upon comparisons of any of the indicators of performance relative to other companies. The authorized committee of outside directors may also exclude under the terms of the performance awards, the impact of an event or occurrence that the committee determines should appropriately be excluded, including restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, or changes in generally accepted accounting principles or practices.

Our Certificate and Bylaws contain provisions limiting the liability of directors and provide that we will indemnify each of our directors to the fullest extent permitted under Delaware law. Our Certificate and Bylaws also provide our Board with discretion to indemnify our officers and employees when determined appropriate by the Board. In addition, we have entered into indemnification agreements with each of our directors and executive officers. These agreements provide for the indemnification of such persons for all reasonable expenses and liabilities incurred in connection with any action or proceeding brought against them by reason of the fact that they are or were serving in such capacity. We have also obtained director and officer liability insurance to cover liabilities our directors and officers may incur in connection with their services to us.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Certain Relationships

Milton C. (Todd) Ault, III, our Founder and Vice Chairman, has had significant influence over our Company, directly and through his controlling interests in Hyperscale Data, Ault Lending and ALSI. Mr. Ault is also the Chairman, Chief Executive Officer and was the single largest beneficial stockholder (through Ault & Co.) of Hyperscale Data. The Board and executive officers of our company and the board of directors and executive officers of Hyperscale Data contain some of the same individuals. William B. Horne, the Chairman of the Board of our company, is the Chief Executive Officer and a director of Hyperscale Data and Henry Nisser, our Executive Vice President, General Counsel and a director of our company, is the President, General Counsel and a director of Hyperscale Data.

Transactions with Related Persons

To the best of our knowledge, during our most recent fiscal year end on April 30, 2026, other than as set forth below, there were no material transactions, or series of similar transactions, or any currently proposed transactions, or series of similar transactions, to which we were or are to be a party, in which the amount involved exceeds \$33,412, or 1% of the average total assets at year-end for the last two completed fiscal years, and in which any director or executive officer, or any security holder who is known by us to own of record or beneficially more than 5% of any class of our common stock, or any member of the immediate family of any of the foregoing persons, has an interest (other than compensation to our officers and directors in the ordinary course of business).

Our accounting and finance department use shared office space within the Costa Mesa offices of Hyperscale Data.

Future Transactions

Our Board has adopted a policy whereby any future transactions between our company and any of our subsidiaries, affiliates, officers, directors, principal stockholders or any affiliates of the foregoing will be on terms no less favorable to us than could reasonably be obtained in “arm’s length” transactions with independent third parties, and any such transactions will also be approved by a majority of our disinterested and independent outside directors.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information known to us regarding the beneficial ownership of Common Stock as of the Record Date, by: (i) each of our named executive officers; (ii) each of our directors; (iii) all our executive officers and directors as a group; and (iv) each person, or group of affiliated persons, known by us to beneficially own more than 5% of any class of our voting securities.

Information with respect to beneficial ownership is based on information furnished to us by each director, executive officer or stockholder who holds more than 5% of our outstanding Common Stock, and Schedules 13G or 13D filed with the SEC, as the case may be. Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he or she possesses sole or shared voting or investment power of that security, and includes options and warrants that are currently exercisable within 60 days of the Record Date. Options to purchase shares of Common Stock that are exercisable within 60 days of the Record Date, are deemed to be beneficially owned by the persons holding these options for the purpose of computing percentage ownership of that person, but are not treated as outstanding for the purpose of computing any other person's ownership percentage. Except as indicated in the footnotes below, each of the beneficial owners named in the table below has, to our knowledge, sole voting and investment power with respect to all shares of Common Stock listed as beneficially owned by him or her, except for shares owned jointly with that person's spouse.

We have based our calculation of beneficial ownership on _____ shares of Common Stock outstanding as of the Record Date. Unless otherwise indicated, the address for each of the stockholders in the table below is c/o Alzamend Neuro, Inc., 3480 Peachtree Road NE, Second Floor, Suite 103, Atlanta, GA 30326.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, several brokers with account holders who are our stockholders will be “householding” our Proxy Materials. A single set of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of Proxy Materials, please notify your broker or Alzamend Neuro. Direct your written request to: Alzamend Neuro, Inc., 3480 Peachtree Road NE, Second Floor, Suite 103, Atlanta, GA 30326, Attn: Secretary.

Stockholders who currently receive multiple sets of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

PROPOSALS OF STOCKHOLDERS FOR THE 2028 ANNUAL MEETING

If you want to submit a proposal for inclusion in our proxy statement for the 2028 Annual Meeting, you may do so by following the procedures in Rule 14a-8 under the Exchange Act. To be eligible for inclusion, stockholder proposals (other than nominees for directors) must be received at the Company's principal executive office, at the following address 3480 Peachtree Road NE, Second Floor, Suite 103, Atlanta, GA 30326, Attention: Corporate Secretary, no later than _____, 2027 (120 days before the anniversary of this year's mailing date).

Under Rule 14a-4 promulgated under the Exchange Act, if a proponent of a proposal that is not intended to be included in the proxy statement fails to notify us of such proposal at least 45 days prior to the anniversary of the mailing date of the preceding year's proxy statement, then we will be allowed to use our discretionary voting authority under proxies solicited by us when the proposal is raised at such annual meeting of stockholders, without any discussion of the matter in the proxy statement.

In addition, our Bylaws contain an advance notice provision that requires that all business proposed by a stockholder that will be conducted or considered at a meeting must meet notice requirements. For business to be properly submitted by a stockholder for a vote at a meeting, the stockholder must (i) be a shareholder of record as of the record date for the meeting, (ii) be entitled to vote at the meeting, and (iii) have given timely notice in writing of the proposal to be submitted by the stockholder for a vote. The stockholder's notice must be delivered to the Secretary at the Company's principal executive office. To be timely, a stockholder's notice must be received by the Secretary at least 90 calendar days before the date corresponding to the date for the annual meeting in the preceding year, and no more than 120 calendar days before that date; provided, however, if the date of the annual meeting is changed by more than 30 calendar days from the date corresponding to the date of the preceding year's annual meeting, or if we did not hold an annual meeting in the preceding year, then the stockholder's notice will be considered timely if it is received by the Secretary not later than the close of business on the tenth calendar day following the day on which such notice of the date of the annual meeting was mailed or the date on which public disclosure of the date of the annual meeting was made, whichever first occurs.

A stockholder's notice to the Secretary must set forth as to each matter the stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and record address of the stockholder who intends to propose the business, and of the beneficial owner, if any, on whose behalf the proposal is made, (iii) such information regarding each director nominee or each matter of business to be proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated, or intended to be nominated, or the matter been proposed, or intended to be proposed by the Board; (iv) if applicable, the consent of each nominee to be named in the proxy statement and to serve as director of the Company if so elected; (v) the class or series and number of shares of the Company that are owned beneficially and of record by the stockholder proposing such business and by the beneficial owner, if any, on whose behalf the proposal is made, and (vi) any material interest of such stockholder proposing such business and the beneficial owner, if any, on whose behalf the proposal is made in such business.

OTHER MATTERS

The Board knows of no business to be brought before the 2027 Annual Meeting which is not referred to in the accompanying Notice of Annual Meeting. Should any such matters be presented, the persons named in the proxy shall have the authority to take such action regarding such matters as in their judgment seems advisable. If you hold shares through a broker, bank or other nominee as described above, they will not be able to vote your shares on any other business that comes before the 2027 Annual Meeting unless they receive instructions from you with respect to such matter.

A copy of the Company's Annual Report on Form 10-K for the fiscal year ended April 30, 2026 is available without charge upon written request to: Alzamend Neuro, Inc., 3480 Peachtree Road NE, Second Floor, Suite 103, Atlanta, GA 30326, Attn: Secretary.
